Torgovytsyka NVK   **Torgovytsya, Horodenka, Ivano-Frankivsk**
High School Diploma   May 2022

FreeCodeCamp   **https://www.freecodecamp.org/Adamstar**
Programming Certificates   August 2023
- Responsive Web Design
- Javascript Algorithms and Data Structures

SKILLS

- Strong foundational knowledge and proficiency in basic technologies such as **HTML**, **CSS**, and **JavaScript**.
- Strong problem-solving ability, breaking down code point by point and debugging.
- Knowledge and application of code versioning with **Git** and **GitHub**.
- Solid understanding of the latest Front-end development technologies like **React** and **Bootstrap 5**, and always staying up-to-date with the latest trends.
- Adherence to best practices in development.
- Proficient and organized in web page design using specialized software like **Figma**.
- Great interest and passion for the field, always attentive and prepared to assist in a disciplined and responsible manner.

PROJECTS

- **Personal Web**: As a frontend developer, I have created a personal website to showcase my skills and portfolio. The website features my latest projects and demonstrates my proficiency in creating responsive and accessible web pages. | **https://adamaliweb.com** |
- **Discord Server Web**: This website is dedicated to a Spanish Discord server focused on the game Genshin Impact. The server is a community that assists new players in their progression and facilitates making new friends. | **https://genshinimpacthispano.com** |
